Sir,

In continuation of my letter No 270 dated 28th Ultimo, on the subject of the rates of license fees to be fixed for retail arrack shops in this District, I have the honor to state that the rate of 20 Rs per month for the town of Shimoga seems to be rather high. From accounts received subsequent to the above letter it appears that in the 10 retail shops in the town, the surplus that accrued to the Shopkeepers in the quarter ending 30th Ultimo by purchasing arrack from the

wholesa

wholesale shops at Rs 4-6-4 per gallon and selling it by retail at 5 Rupees as shewn in the margin. I therefore consider that Rupees 12 may be fixed for Shimoga. 60 Rupees per quarter would I think lead to many of the shops being closed.

of Mysore - Revenue Deptt

Sir,

In continuation of the previous correspondence noted in the margin on the subject of the rate of License fees for retail shops, I have the honor to solicit early orders on the subject as the current official year is shortly to close.

Letter No 481 of 12-1-81
Docket No 59 of 14-3-81
Do. No 612 of 29-3-81.
Do. No 41/21 of 16-4-81
Do. No 145/92 of 27-5-81
Do. No 270/172 of 28-6-81
Letter No 304/199 of 7-7-81
Do. No 357/238 of 23-7-81
Docket No 590/391 of 15-10-81

2. Of the retail shops in this District, those in the town of Shimoga being important, it seems to me that the question, specially in regard to them, demands the earliest consideration.

3. The revenue from the retail shops in this Town for the 10 months of 1881-82 viz: from april 1881 to January 1882 according to the rate of license fees which I, subject to orders, have fixed at Rs 50 per quarter for each shop is Rs 1487-8-9 and the consumption of Arrack during the period and the profit realized by the Shopkeepers are as shewn below

below.

Nos of the shop	Nos of months in which the shop was kept	Nos of gallons sold	Profit at u.g. 8 per gallon after deducting license fee at 50 Rs per quarter			Loss		
1	10	497	133	9	6	"	"	"
2	10	757	300	11	"	"	"	"
3	10	342	39	15	4	"	"	"
4	10	516	145	1	4	"	"	"
5	10	620	207	14	8	"	"	"
6	10	376	60	8	"	"	"	"
7	6	145	"	"	"	12	6	4
8	3	102	11	10	"	"	"	"
9	3	69	"	"	"	8	5	"
10	6	169	2	1	8	"	"	"

4. It will be seen that the profit realized in the several shops which is of course according to the quantity sold makes on the whole the rate of Rs 50 per quarter a very favorable one and that the rate may well be increased. For the ensuing year therefore it is my wish that the rate should be 75 Rs per quarter for each shop and that further an extra fee of four annas for each gallon sold during a month in each shop in excess of 60 gallons should be paid; but at the same time I think the Nos of shops should be restricted to only 6.

No. 360/12 dy 17 April/82 Order

In Proceedings No. 485/51 of the 16 Augt. 1877 License fees for Retail Arrack shops were fixed at the rates noted in the margin, but these rates have not been strictly followed in all the Districts, while in the

" Rs. 15 per mensem in towns
" 8 per mensem in Taluk/nadus
" 4 per mensem in Hobly Cusbas
" 2 per mensem in villages

Mysore Town, a higher
rate of Rs 20 per month
is charged - The arbitrary
Enforcement of the above
rates operates with inconvenience,
Whilst in some of the
larger towns the rate of
Rs. 15 and even of Rs 20
per month may not secure
a sufficient return
from shops with large
sales, the above rates
are found too heavy
for petty shops which
though in the same towns
are not so favorably
situated - The Taluk
Cutcherries are not all of
the same importance &
the distinction of Hobly
Cutcherries from Villages
is one without any
significance and

2 The Dewan considers that the following rates will better meet the circumstances of the case, and he directs that the same may be adopted from the current official year in all the Districts—

Large Towns, viz. Bangalore, Mysore and Shemoga, and if found applicable Chikmoogalur also —	15 Rs per month with 4 Annas in addition on each Gallon sold in the month in Excess of 60 Gallons—
Other Dt. Head Quarters and the larger Taluk Cusbas to be determined by the Dt Comrs with reference to population & importance.	10 Rs per month with 4 Annas in addition on each Gallon sold in the month in Excess of 40 Gallons—
Other Taluk Cusbas —	6 Rs per month with 4 Annas in addition on each Gallon sold in the month in Excess of 24 Gallons.
Villages	2 Rs. per month with 4 Annas in addition on each Gallon sold in the month in Excess of 8 Gallons—

3 These rates, while providing a proper minimum for all shops at each class of station below which it cannot be desirable to permit the opening of shops, secure to Govt a fair share of the profit derivable from larger sales - The sales are easily ascertainable from the accounts of issues under the Excise System.

4 Any different arrangements carried out for last year need not be disturbed.

5 The proposal of the Govt of Shemoga to rent out all the shops in Shemoga to a single person who offers the highest rate for them is open to serious objection,

and

and the arrangement
should be at once
stopped - The shops
under the present Excise
System are in no instance
to be put up to competition
Those who previously
held the shops and their
heirs ought to be given
preference if they are
well conducted & able
to discharge their
obligations - If there
are no such claim-
-ants, the shops
may be granted to
other well - conducted
applicants with
reference to their cir-
-cumstances and
claims - No addition
to the existing number
of shops is to be sanctioned
except on grounds of
real public necessity -

The mere fact of a person
applying to establish a
shop at a new place is
not a sufficient Ground
for granting the application—
It is of importance that
the shops should be
limited to as moderate
a number as practicable
with due regard to ~~public~~
the interests & convenience
of the public—
